CULTURAL ORGANIZATIONS PROGRAM (COP)
Information Session
ABOUT OAC

Vision

- An equitable, diverse and connected community, whose residents and visitors thrive through meaningful arts and cultural experiences in every neighborhood across Dallas.

Mission

- Our mission is to support and grow a sustainable cultural ecosystem that ensures all residents and visitors have opportunities to experience arts and culture throughout the city.

- The Office of Arts and Culture works to enhance the vitality of the city and the quality of life for all Dallas residents by creating an equitable environment wherein artists as well as arts and cultural organizations thrive; people of all ages enjoy opportunities for creative expression; and all celebrate our multicultural heritage.
In Dallas, we envision a city of people whose success and well-being are not pre-determined by their race, age, disability, sexual orientation, gender, social status, zip code, or citizen status. We recognize that artistic and cultural expression are fundamental to the development of our identity, as individuals and as a community at large. We assert the right for all people to have access to arts and cultural experiences throughout Dallas.

We recognize the historic legacies of racism, overt bias and injustice that shape our present reality.

The Office of Arts and Culture will serve as convener and connector to catalyze equity in the policies and practices of its partners across the Dallas arts ecosystem.

DIVERSITY CRITERIA – 12 POINTS (CONT.)

Staff Diversity (5 points) – While the Cultural Policy does not set specific goals for staff diversity, the Office of Cultural Affairs will mirror staff diversity goals based on those of board diversity goals and definitions for the purposes of this scoring category. Staff is considered pay-rolled staff, not contracted labor. Because organizations in Tier I generally do not have significant numbers of staff, they are exempt from staff diversity goals.
