**2022-23 Community Artist Program Host Requirements**

**Identification of Community Hosts**

The Office of Arts and Culture (OAC) – Community Arts staff will assign participating artists/organizations to services in the community on a request and need basis.

Community hosts may include, but are not limited to, churches, community organizations, recreation centers, social service agencies, and other non-profit groups. Emphasis will be placed on underserved or un-served communities that have not had prior exposure to the art form. An attempt will be made to spread program services throughout all areas of Dallas.

**All funded activities must occur within the Dallas City limits.** The **community host will provide a facility/space at no charge to the participating audience or neighborhood participants.** The host is expected to market the service and appropriately publicize the event. A copy of marketing material (flyer, Facebook event, email, etc.) must be submitted to the CAP Coordinator prior to the event. The OAC logo must be included in all publications and marketing materials.

**IMPORTANT – Requesting a CAP artist DOES NOT guarantee services will be granted.**

- **Hosts must submit requests to OAC Community Arts Staff to secure an artist by way of the FY22-23 CAP Request Form.** Planning with artists before requesting through Community Arts staff may result in delays in processing and affect artist compensation.
- Virtual events must be based in the city of Dallas and must be broadcast from a city of Dallas address.
- Changes to original requests must be submitted to the CAP Coordinator in writing by email. Artists cannot be compensated for changes which are not approved and confirmed by staff.
