PEGASUS MEDIA PROJECT

FILMMAKING/STORYTELLING WORKSHOPS

The Pegasus Media Project provides workshops that include Introduction of Filmmaking & Personal Storytelling, Visual Storytelling & Planning Yous Self-Portrait, Camera & Lighting Basics, Editing Basics & Refining the Self-Portrait, & Finalizing the Self-Portrait & Presentation. Participants will be introduced to filmmaking and the concept of storytelling, begin storyboarding, learn how to map out scenes, lighting techniques, how to set up a camera, adjust exposure, and frame shots effectively among other amazing things.

Participants and audiences aged 12 and older
