

# QUEL HYNSON

## VISUAL ARTS WORKSHOPS

**Quel Hynson provides workshops working with canvases, fabrics, sculpting paste, and found objects. Participants will be introduced to texture as an element of art and explore its role in visual and tactile experiences. Participants will discuss what texture is, experiment with texture using mixed media and found objects, learn how to create texture in painting, learn textural transfers, experimental & 3D textures, and more.**

**Participants and audiences aged 2 and older**
