

PRISM MOVEMENT THEATER

THEATER/ACTING WORKSHOPS

All of the following courses can be requested as one-off classes or can be extended into deep dive sessions consisting of multiple classes: ***Hip hop class:*** In this class, students will learn about hip hop/ Bboy dance style. As students learn this unique style of dance, they will also learn some of the history behind; ***Stage Combat:*** From Capoeira, to wrestling, to sword fighting, Prism Movement Theater is KNOWN for its amazing stage combat; ***Juggling:*** Whether its onstage or in life, everyone has to learn to juggle at some point! Starting at just one ball, students will learn how to break the difficult task of juggling into manageable bite sized chunks; ***Playwriting:*** This class takes the sometimes inaccessible task of writing, and transforms it into extremely fun and exciting tool for students to use to create their own incredible worlds; **Puppetry:** In this class, students will receive an introduction to puppetry. Students will learn how to make a couple of different types of puppets like sock puppets and box puppets.

THEATER/ACTING PERFORMANCES

Prism Movement's performances include: "Bruno & Louie" where Two mimes embark on the quest for fame! This performance is an adaptable wordless comedy about two mimes as they do whatever it takes to become famous! "History of Capoeira- In this performance, students will have an opportunity to learn about the historical and cultural importance of capoeira- how it was developed by enslaved Africans to overthrow their Brazilian oppressors.

SENIOR PROGRAMMING

All of the following courses can be requested as one-off classes or can be extended into deep-dive sessions consisting of multiple classes. ***Tai chi***: In this class, students will learn the beautiful and graceful movements that encompass Tai Chi. Known as a “gentle” martial art, tai chi is perfect to teach students relaxation, focus, and discipline. ***Puppetry***: In this class, students will receive an introduction to puppetry. Students will learn how to make a couple of different types of puppets like sock puppets and box puppets. ***Mask***: In this class, students will receive an introduction to theatrical masks. Students will learn how to make their own masks and decorate them to create unique personalities. ***Chair Yoga***: This is the perfect class for seniors to remain active and nimble without ever having to get up from their seat. ***Photography***: In this class, students will receive an introduction to professional photography. Participants will learn the techniques that professional photographers use to make beautiful and interesting pictures come to life, all while using their own everyday phones.
