Rules For The Oak Farms Dairy Performance Hall

1. No "breaking the Main curtain line". Once the house is open no one is allowed to go from the house to backstage or from backstage to the house regardless if the Main Curtain is closed or not. Everyone needs to be in place and ready to go prior to house opening. No exceptions.
2. No one is allowed to go behind or to touch the Cyc. If a performer needs to go from one side of the stage to the other they must use the back hallway. Touching of the cyc causes discoloration and could even tear the Cyc. **PLEASE DO NOT TOUCH THE CYC.**
3. Lessee / User Organization is responsible for having their own stage manager for all performances, rehearsals, and at anytime a group is occupying the space. The stage manager **MUST** be located either Stage Left or Stage Right (not from the front of house or in the booth) and must be on headset. If the person calling cues needs to be in the booth, a separate person that the company/renter is responsible for providing **MUST** be backstage. The stage manager is responsible for assuring that all members of the company follow all LCC rules.
4. **No last minute or "day of" technical changes.** Technical details and final requirements must be pre arranged with the Technical Coordinator of LCC and must be communicated in writing (e-mail, written requests, etc.). Any needs that suddenly arise on the day of a production/event are subject to approval by the Technical Coordinator of the LCC and are not guaranteed.
5. No watching a performance from the wings. Once a person/group is done with their number/performance they must go either to the dressing rooms or to the green room. The only performers allowed in the wings are those that have just exited the stage or ones that are within **five minutes** of making an entrance.
6. Children must be supervised at ALL times. For every 6 children involved in an event the Lessee / User Organization is responsible for having 1 chaperon. These chaperones are responsible for making sure that all children are well behaved and follow ALL rules of the LCC.
7. Any safety concerns a Lessee / User Organization has (i.e. unsecured trip hazards, obstacles in the wings, etc.) must be **immediately** reported to the Technical Coordinator.
8. A list of technicians, performers, and anyone involved in a production must be given to the Technical Coordinator no later than 24 hours prior to the first rehearsal. **ABSOLUTELY NO ONE** is allowed backstage that is not on this list. This list may not include anyone who is not immediately connected with the production. There will be no friends, audience members, parents, or "guests" backstage unless they are immediately involved with the production. If there is any discrepancy about who is immediately involved with the production (either already on the list or not) LCC Staff will determine if they are allowed backstage or not. Any person not on the list or who is asked to leave must do so immediately and the Lessee is responsible for assisting the LCC with the removal of the individual ('s). This is to ensure the safety and security of all performers/company members and LCC staff.
9. Lessee / User Organization is responsible for providing *qualified technicians* to operate all sound, lighting and video equipment. If audio and lights are to be used during a production the Lessee / User Organization is responsible for supplying capable/trained technicians to run these elements. These technicians must have prior legitimate knowledge of all equipment.

10. If at any point the Technical Coordinator of the LCC deems that a person is not capable of handling the equipment in a safe, professional manner, the technician must be replaced by the Lessee / User Organization. The Technical Coordinator may run a technical aspect of a performance based on the complication of a production, time of rehearsals, and technical need. The use of the Technical Coordinator as a technician for a production is at the discretion of the LCC.
11. Respect all equipment and the facility at all times.
12. Per City of Dallas Ordinance: smoking is not permitted inside the building, however smoking is permitted on the loading dock. Please dispose cigarette butts in the ashtray located in loading dock area.
13. No food/beverages are allowed in the house, on stage, back stage, box office, and sound/light booth. Cast and crew may eat in the greenroom, with the understanding that you will clean up afterwards.
14. If the organization expects more than 200 people at an event, we recommend reserved seating rather than general admission. The LCC reserves the right to require reserved seating for events when crowd control may pose a public safety concern.
15. The LCC is not liable for, theft or damage to items related to the production or to any personal items. Please make sure that all items are secured prior to leaving the theatre. Lockers are provided for personal use; however, it is the user's responsibility to provide his/her combination lock. Inspection of locker rooms will be conducted at random by LCC staff and any discrepancy will be documented.
16. The facility will be opened and closed by LCC staff. Keys will not be issued to any individuals, organizations or groups.
17. Lessee / User Organization is responsible for paying the LCC the Replacement Costs for any and all equipment that is lost or damaged.
18. All rentals are subject to the LCC Technical Specifications and Usage Agreement outlined in this packet.
19. **House doors must be open at least 15 minutes before announced show time, and patrons must be allowed sufficient time to find their seats.** Lessee / User Organization must provide volunteers/staff to usher patrons and collect tickets in a timely manner. The theater seating capacity is 300 and must be respected at all times. Adding seating via chairs or standing room is against fire safety regulations and will not be tolerated.
20. Note: A mandatory appointment with LCC Technical Coordinator must be scheduled a minimum of 30 days prior to any event. Technical support can not be guaranteed should you not adhere to these conditions.

I have read and understand the Latino Cultural Center Rental Guidelines & Oak Farms Dairy Performance Hall Rules. I hereby agree to abide by these rules and to ensure that all representatives of my organization are informed and abide the rules. I understand that an LCC staff member will be on duty at all times reinforcing such guidelines. I understand that failure to abide by these rules will result in the loss of the privilege of using the LCC.
