INSTRUCTIONS FOR SELECTED ARTISTS

CHECK THE SPELLING OF YOUR NAME

When we advertise the exhibition, we will use the names of the artists as they appear on this notification, which were retrieved from your application. If you want us to spell your name differently, send an e-mail to the cultural center where your work will be featured. Do not send an e-mail if your name was spelled correctly or if the title of your work needs a correction. Titles can be modified when your work is delivered.

PREPARING YOUR ARTWORK BEFORE DELIVERY

Make sure that your art is suitable for display prior to delivering it to our gallery. Please use **D rings or wire** on the back of two-dimensional artwork.

NOTE: All the pieces that will be displayed at the Moody Performance Hall are strictly required to have D rings or wire on the back to facilitate their installation on this venue's track-and-wire hanging system.

Three-dimensional art must be **fully stable** to stand on its own, or be attached to a solid base that can sit securely on top of our pedestals.

The galleries may, at their discretion, request installation assistance from any artist whose artwork requires a complex setup.

DELIVERY OF ARTWORK

Please refer to the **Exhibition Schedule** below to see when your artwork must be delivered and the location of the gallery. Shipping/delivering artwork to and from the cultural centers is the responsibility of the artist.

If you are **shipping your artwork**, please schedule your delivery accordingly so that we receive your artwork on time. We strongly advise that you purchase shipping insurance if you mail your artwork.

In an effort to protect our staff and the artists, all individuals delivering the artwork in person must comply with the centers' safety regulations by **wearing face coverings, practicing social distancing, and limiting the duration of their deliveries**. Most centers will request that all paperwork be done electronically to expedite the art registration process.

PUBLICITY

Each cultural center promotes its gallery shows differently (electronic invitations, postcards, flyers, etc.). The representatives of each center will give you information about their publicity methods. **The best way to promote all the ART214 exhibitions is to refer your friends to www.art214dallas.com.**

Artists have the option to purchase their own insurance separately. While on exhibition, the artwork will be given all reasonable care. If the center is insuring the artwork, coverage will not be in effect while the pieces are in transit to and from the venue.

POLICY OF EXHIBITIONS

Submission of entries and participation in the exhibition constitutes agreement to the conditions set forth in this document, the exhibition prospectus, and in the cultural centers' Policy for Exhibitions (visit <http://www.bathhousemedia.com/docs/exhibitionpolicy.pdf> to review policy).
